

TEAM RUNNER

CONCEPT AND MOTIVATION

DESIGN PROCESS

1. Find a good idea.
2. Create a repo and linked to every group member
3. Create File structure-technologies
4. Frontend and Backend at the same time.
5. Link them together
6. Build the app.
7. Testing.
8. Publishing
9. Upload to heroku

TECHNOLOGIES USED

A woman with a ponytail, wearing a white tank top and black leggings, is running on a paved road. The road has a yellow double line. The background shows trees and a bright sunset sky.

APP DEMO

A woman in a green tank top and black leggings is running on a paved road that leads towards a large, rocky mountain peak under a clear blue sky. The road has white dashed lines in the center and solid lines on the sides. The mountain is composed of dark, jagged rock formations.
